11th

All games to 15/17. Listed game end time is cap time (complete point and add two)
Each team has two timeouts per half. The number of timeouts are not affected by the cap.
Overtime: A game is in overtime at 14-14 unless the game is capped so that the winning score is 15.
Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.
